My Own Best Friend

Reference number pt0019

One thing I know and I've always known
I am my own best friend.
Baby's alive but baby's alone,
And baby's her (his) own best friend.

Many's the guy (girl) who told me he (she) cares
But they were scratching my back, 'cause I was scratching
theirs.
And trusting to luck,
That's only for fools,
I play in a game where I make the rules
And rule number one from here to the end
Is I am my own best friend.

Three musketeers who never say die,
Are standing here this minute:
Me, myself and I.
If life is a school,
I'll pass ev'ry test.
If life is a game,
I'll play it the best,
'Cause I won't give in and I'll never bend,
And I am my own best friend.
