## Take Me Or Leave Me

Reference number pt0098

Ev'ry single day I walk down the street,  
I hear people say baby, so sweet.  
Ever since puberty, ev'rybody stares at me.  
Boys, girls, I can't help it baby.  
So be kind, and don't lose your mind.  
Just remember that I'm your baby.

Take me for what I am, who I was meant to be.  
And if you give a damn, take me, baby, or leave me.

A tiger in a cage can never see the sun.  
This diva needs her stage, baby. Let's have fun.  
You are the one I choose. Folks would kill to fill your shoes.  
You love the limelight too, now baby.  
So be mine, but don't waste my time. Cryin',  
"Oh honey bear, are you still my baby?"

Take me for what I am, who I was meant to be.  
And if you give a damn, take me, baby, or leave me.

No way can I be what I'm not.  
But hey, don't you want your girl hot?  
Oh, don't fight, don't lose your head,  
'cause ev'ry night who's in your bed.

Who? Who's in your bed.

*(spoken)*

Kiss pookie.

It won't work.

*(sung)*

I look before I leap,

I love margins and discipline.

I make lists in my sleep, baby.

What's my sin?

Never quit, I follow through.

I hate mess, but I love you.

What to do with my impromptu, baby?

So be wise, 'cause this girl satisfies.

*(spoken)*

You got a prize, but don't compromise.

*(sung)*

You're one lucky baby.

Take me for what I am, who I was meant to be.

And if you give a damn, take me, baby, or leave me.

That's it, the straw that breaks my back.

I quit, unless you take it back.

Women, what is it about them?

Can't live with them or without them.

Take me for what I am, who I was meant to be.

And if you give a damn, take me, baby, or leave me.

Take me, baby, or leave me.

*(spoken)*

Guess I'm leavin'.

I'm gone!
