PHIL & OSCAR

Hoo...

Bad forbidden fruit!

Hoo...

Don't go that route!

QUEENIE

God has said:

GOD (or QUEENIE)

“Don't eat that apple, child,
it's bad forbidden fruit.”

QUEENIE

God has said:

GOD (or QUEENIE)

“Don't break my laws or give
me cause to use my boot.”

QUEENIE

I misunderstood him, or maybe I forgot.

But after just one bite...

Whoo! What a night.

Cool paradise turned hot!

We were having a wild, wild party.

We were loving it loud and fast.

We were having a wild, wild party

and hoping the beer would last.

Adam, help me know!...

QUEENIE & BURRS

We were driving it fast and funky,

We were dancing and running free.

We were having a wild, wild party.

Heaven watched us tearing up the joint.

Heaven ever slowly got the point.

QUEENIE (spoken)

Moses coming down from the mount what's that I hear you
say?

Holy Moses down from the mount, been working a forty day.

OSCAR & QUEENIE (still spoken)

Your people wandered from the Word,
now how did this begin?

BURRS (spoken)

I was so in shock they made me drop my rock.

PHIL

Well, Mo, what was their sin?

BURRS (sung)

They were driving it fast and funky,

THE GANG

Baruch Habah,

BURRS

They were dancing and living
Free.

Baruch atah

They were having a wild, wild

BURRS (spoken)

And not a soul invited me!

PHIL & OSCAR & QUEENIE (sung)

So don't you see:

That's the way it was meant to be.

BURRS
