How Did We Come To This

Reference number pt0109

QUEENIE

We're all so sure.
We're all so wise.
No limits, no bound'ries, no compromise.
Laughing at our neighbour,
smiling through a hiss.
How did we come to this?

We're all amused,
we're all inspired.
So cunning, so clever, and so admired.
Easy to be angry,
easy to dismiss.
How did we come to this?

Maybe I've been living in a daydream.
Maybe I've been talking in my sleep.
If I've been awake, pardon my mistake,
but time is running low and talk is growing cheap.

We play our games.
We place our bets.
No witness, no weakness, and no regrets.
Filling up with frenzy.
Killing with a kiss.
How did we all come to this?
Time goes by, plans grow stale, people die and parties fail.
How did we come to this?
