Comin' In On A Wing And A Prayer

Reference number pt0114

VERSE

Over the dim lit flare path an anxious silence reigned,
Scanning the blue horizon our anxious eyes were strained.
The radio sets were humming, they waited for a word;
Then a voice broke through the humming and this is what
they heard.

CHORUS

"Comin' in on a wing and a pray'r
"Comin' in on a wing and a pray'r
Though there's one motor gone, we can still carry on,
"Comin' in on a wing and a pray'r.
What a show what a fight
Yes, we really hit our target for tonight.
How we sing as we limp through the air
Look below, there's our field over there
With a full crew aboard and our trust in the Lord
We're comin' in on a wing and a pray'r."

VERSE

Listening, hoping, watching was all that we could do,
Waiting for J for Jimmy and all the gallant crew.
Then over our longing vision a dim grey shadow fell,
And, like music, came the message that told us all was well.

CHORUS

"Comin' in on a wing and a pray'r
"Comin' in on a wing and a pray'r
Though therrere's one motor gone, we can still carry on,
"Comin' in on a wing and a pray'r.
What a show what a fight
Yes, we really hit our target for tonight.
How we sing as we limp through the air
Look below, there's our field over there
With a full crew aboard and our trust in the Lord
We're comin' in on a wing and a pray'r."
