Whatever Happened To My Part

Reference number PT0162

Daisy

If we stood on our tiptoes
We could peek over the sill
And once in a while we would see a girl
Slowly walking up the hill

Violet

And we'd think what a sad situation
To be outside on your own

Daisy

To go through the town with no playmate

Violet

To go through life all alone

Daisy & Violet

I will never leave you
I will never go away
We were meant to share each moment
Beside you is where I will stay
Evermore and always
We'll be one though we're two
For I will never leave you

Daisy

When the day is filled with shadows
That stretch into the night

Violet

I am filled with your sweet comfort
Like morning fills with light

Daisy & Violet

I will never leave you

I will never go away

We were meant to share each moment

Beside you is where I will stay

Evermore and always

We'll be one though we're two

For I will never leave you

Daisy

No, I will never leave you

Violet

I will never leave you

Daisy & Violet

I will never go away

We were meant to share each moment

Daisy

Beside you is where I will stay

Violet

That's where I will stay

Daisy

Evermore and always

Violet

Evermore

Daisy & Violet

We'll be one though we're two

Daisy

One though we're two

Daisy & Violet

For I will never

I will never

I will never leave you
