Whistle Down The Wind

Reference number PT0168

Swallow

Whistle down the wind,
let your voices carry
Drown out all the rain,
light a patch of darkness
Traucherous and scary

Boone

Howl at the stars,
whisper when your sleeping
I'll be there to hold you,
I'll be there to stop
The chills and all the weeping

Swallow and Boone

Make it clear and strong, so the whole night long
Every signal that you send, until the very end
I will not abandon you my precious friend

Family

So try and stem the tide,
then you'll raise a banner
Send a flare up in the sky,
try to burn a torch
And try to build a bonfire
Every signal that you send,
until the very end, I'm there
So whistle down the wind, for I have always been right there.
