## A Sentimental Man

Reference number PT0175

### *WIZARD*

I am a sentimental man,  
who always longed to be a father;  
that's why I do the best I can  
to treat each citizen of Oz as son...  
or daughter...  
so Elphaba, I'd like to raise you high,  
'cause I think ev'ryone deserves the chance to fly.  
And helping you with your ascent  
allows me to fee so parental,  
for I am a sentimental man...
