Killer Queen

Reference number PT0179

SUPER YUPPIES

She keeps a Moet et Chandon
in her pretty cabinet
“Let them eat cake,” she says,
“Find me on the internet.”
(A) built-in remedy
For Kruschev and Kennedy,
at anytime an invitation
you can’t decline.

Caviar and cigarettes
well versed in etiquette.
Extr’ordinarily nice!

CHORUS

She’s a Killer Queen,
gunpowder, gelatine
dynamite with a laser beam,
(‘n’) guaranteed to blow your mind.
Anytime!

Ooh, recommended at the price,
Insatiable an appetite.
Wanna try?

KILLER QUEEN

To avoid complications
I never keep the same address.
In conversation
I email like a baroness.

(KILLER QUEEN)

Met a man from China,
Went down to Geisha Minah,
Then again incident'ly
If you're that way inclined.

Perfume came virtually from Paris,
For cars I couldn't care less.
(spoken)

Fastidious and precise,
(sung)

I'm a Killer Queen,
gunpowder, gelatine
dynamite with a laser beam,

guaranteed to blow your mind.
Anytime!

KILLER QUEEN

Drop of a hat I'm as willing,
as playful as a pussy cat.
Then momentarily out of action,
temporarily out of gas
to absolutely drive you wild.
I'm all out to get you!

ENSEMBLE

Ooh,
a killer,
a killer,
She's a Killer Queen.

Virtually,

she's a Killer Queen,
gunpowder, gelatine,
dynamite with a laser
beam

Ba, ba, ba, ba,
Anytime!

ENSEMBLE

Ooh,
ooh.
Da, da, drive you wild,
wild.
