Once Upon A Dream

Reference number PT0197

Once upon a dream,
We were lost in love's embrace.
There we found a perfect place,
once upon a dream.

Once there was a time
like no other time before.
Hope was still an open door,
once upon a dream.

And I was unafraid,
The dream was so exciting!
But now I see it fade
and I am here alone!

Once upon a dream,
You were heaven sent to me.
Was it never meant to be?
Was it just a dream?

Could we begin again,
once upon a dream?
