Good Mornin'

Reference number PT0252

LYRICS – from the vocal selection

Here we are together,
a couple of stayer uppers.
Our day is done at breakfast time
and starts in with our suppers.
Here we are together,
but the best of friends must part.
So, let me sing this parting song
from the bottom of my heart.

Good morning, good morning;
we've danced the whole night through.
Good morning, good morning to you!
Good morning, good morning;
it's great to stay up late.
Good morning, good morning to you!

When the band began to play,
the stars were shining bright.
Now the milkman's on his way;
it's too late to say goodnight.
So, good morning, good morning;
sunbeams will soon smile through.
Good morning, good morning to you!
