## You Are My Lucky Star

Reference number PT0263

In my imagination,  
I searched the starlit sky so bright.  
In my imagination,  
there I saw you in the night.  
And then one day I found you.  
How could I help but realize  
my lucky star was smiling  
right there before my very eyes?

You are my lucky star.  
I saw you from afar.  
Two lovely eyes at me they where gleaming,  
beaming.  
I was starstruck.

You're all my lucky charms.  
I'm lucky in your arms.  
You've opened heaven's portal  
here on earth for this poor mortal.  
You are my lucky, lucky star.

You are my lucky star.  
I saw you from afar.  
If Garbo is a glamorous creature,  
you're a four-star feature.

Though you are never seen  
up on a movie screen,  
you are my Shearer, Crawford, Hpburn, Harlow, and my Garbo.  
You are my lucky star.
