Last Night Of The World

Reference number PT0280

*CHRIS*

In a place that won't let us feel  
In a life where nothing seems real  
I have found you  
I have found you

*KIM*

In a world that's moving too fast  
In a world where nothing can last  
I will hold you  
I will hold you

*CHRIS*

Our lives will change when tomorrow comes

*KIM*

Tonight our hearts drown the distant drums

*CHRIS*

And we have music, all right tearing the night

A song

played on a solo saxophone

A crazy sound

*KIM*

a lonely sound

*TOGETHER*

A cry that tells us love goes on and on

Played on a solo saxophone

It's telling me to hold you tight

and dance like it's the last night of the world

*CHRIS*

On the other side of the earth  
There's a place where life still has worth  
I will take you

*KIM*

I'll go with you

*CHRIS*

You won't believe all the things you'll see  
I know 'cause you'll see them all with me

*TOGETHER*

If we're together that's when we'll hear it again

A song

played on a solo saxophone

A crazy sound, a lonely sound

A cry that tells us love goes on and on

played on a solo saxophone

It's telling me to hold you tight

and dance like it's the last night of the world

*KIM*

Dreams were all I ever knew

*CHRIS*

Dreams you won't need when I'm through

*TOGETHER*

Anywhere we may be

I will sing with you our song

*(Instrumental)*

Played on a solo saxophone

so stay with me and hold me tight

and dance like it's the last night of the world
