My Friend

Reference number PT0292

*QUEEN*

Remember all the times when times were bad,  
you were the only friend I ever really had.

Don't make me say goodbye, no, no.  
Don't make me start to cry.

*SONJA*

Now, don't you start to cry,

*TOGETHER*

Just hold me in your arms.  
Come here and hold me in your arms.

*QUEEN*

Don't make me say goodbye.

*SONJA*

No second chance for me.

*QUEEN*

I have to go.

*SONJA*

I'm not like you.

*QUEEN*

I understand

*SONJA*

The life's the only life

*QUEEN*

I'll miss you so.

*SONJA*

I ever knew.

*QUEEN*

I guess

*TOGETHER*

We have to say goodbye.

There's no use to pretend.

*SONJA*

But I will always know

*QUEEN*

I'll always know that

*TOGETHER*

you were my friend.

*SONJA*

I will remember you.

*QUEEN*

I will remember you.

*SONJA*

I will remember you.

*QUEEN*

I guess

*TOGETHER*

We have to say goodbye.

There's no use to pretend.

*SONJA*

But I will always know

*QUEEN*

I'll always know that

*TOGETHER*

you were my friend.
