The Wind Beneath My Wings

Reference number PT0295

It must have been cold there in my shadow,
to never have sunlight on your face.
You were content to let me shine,
you always walked the step behind.

I was the one with all the glory,
while you were the one with all the strength,
only a face without a name,
I never once heard you complain.

Did you ever know that you're my hero,
and ev'rything I would like to be?
I can fly higher than an eagle,
'cause you are the wind beneath my wings.

It might have appeared to go unnoticed
that I've got it all here in my heart.
I want you to know I know the truth;
I would be nothing with out you.

Chorus

Did you ever know that you're my hero,
and ev'rything I would like to be?
I can fly higher than an eagle,
'cause you are the wind beneath my wings.
You are the wind beneath my wings.
