I Know It's Today

Reference number PT0327

YOUNG FIONA

"There's a princess in a tower."

Oh, my gosh, that's just like me.

"Poor Rapunzel needs a haircut,
but the witch wont set her free.

She passes time by singing,"
like someone else I know.

"As years go by, she sits and waits."

(spoken)

As years go by? Uh, oh...

(sung)

"A torturous existence."

(spoken)

I don't remember this part.

(sung)

"She wishes she were dead."

(spoken)

Skip ahead, skip ahead...

(sung)

"But in the end, Rapunzel finds a millionaire.

The prince is good at climbing and braiding golden hair."

So I know he'll appear

'cause there are rules and there are strictures.

I believe the storybooks I read by candlelight.

My white knight and his steed

will look just like these pictures.

It wont be long now, I guarantee.

Day number twenty-three.

I know its today,

I know its today.

TEENAGE FIONA

“There’s a princess in a comma.”

Glad it’s her instead of me.

“Pretty maiden in a glass box.”

How, I wonder, does she pee?

(spoken)

Blah, blah, blah...

(sung)

“poison apple.”

(spoken)

Boring, boring...

(sung)

“evil queen.”

(spoken)

Filler, filler...

been there, read that.

(sung)

Seven shorties on the scene.

(spoken)

Skip ahead, skip ahead...

(sung)

But in the end, the princess wakes up with a start.

The prince is good at kissing
and melting Snow White’s heart.

So I know he’ll appear and his armor will be blinding,
as shining as his perfect teeth and manly hose.

He’ll propose on one knee
and our pre-nup will be binding.

About time we set a wedding date.

Day number nine hundred and fifty-eight.

I know its today.

He’ll show up today.

ADULT FIONA

Ay.

There's a princess, any princess,
take your pick, they're all like me.

Not exactly. I'm still waiting:

They're out living happily.

Ever after better get here.

I want love in seconds flat.

No one needs these middle bits.

(spoken)

Whoops, did I do that?

(sung)

Cut the villains, cut the vamping,
cut this fairytale.

Cut the peril and the pitfalls,
cut the puppet and the whale.

Cut the monsters, cut the curses,
keep the intro, cut the verses

and the waiting, the waiting, the waiting, the waiting
the waiting.

But I know he'll appear,
though I seem a bit bipolar,
and I'm a vandal now as well.

Hope he wont mind.

I'm a find. I'm a catch

and a very gifted bowler.

It wont be long now, I guarantee.

Day number...

Are you there God?

It's me, Fiona.

ALL

It's me, Fiona!

Now, I know, he'll appear
'cause there are rules and there are strictures.
I believe the storybooks I read by candlelight.
My white knight, my knight and his steed
will look just like these pictures.
It won't be long now, I guarantee.
