The Perfect Year

Reference number PT0363

NORMA

Ring out the old, ring in the new,
a midnight wish to share with you.
Your lips are warm, my head is light,
were we in love before tonight?
I don't need a crowded ballroom, everything I want is here,
if you're with me, next year will be the perfect year.

JOE

Before we play some dangerous game,
before we fan some harmless flame,
we have to ask if this is wise,
and if the game is worth the prize.
With this wine, and with this music,
how can anything be clear?
Let's wait and see, it may just be the perfect year.

NORMA

It's New Year's Eve, and hopes are high,
dance one year in, kiss one good-bye,
another chance, another start,
so many dreams to tease the heart.
We don't need a crowded ballroom,
everything we want is here,
and face to face we will embrace the perfect year
We don't need a crowded ballroom,
everything we want is here
and face to face we will embrace the perfect year.
