Man

Reference number PT0382

Jerry

You're out of work.
Your pride is missin'.
They call you jerk but you don't listen
You haven't got a pot to piss in
But you're a ...
man

Your hands are rough.
Your back is hairy.
Your talk is tough.
Your smell is scary.
Here's what you're not - you're not a fairy
No you're a beer-drinkin' real live man

And when the beef comes out, you do the carvin',
You hate Tom Cruise but you love Lee Marvin.

You're a man,
and that's a bonus
'cause when you're swinging your cojones
you'll show 'em what testosterone is
'cause you're a boot-wearin', beer-drinking
Chevy-driving man.

Dave

You get these plans.
They always fail.
You've been divorced.
You've been to jail.
You may be bold.
You may be male.
But you're a bum bum ba-dum-
(spoken)
bum

You got your dreams,
you got your wishes
and I don't want
to sound malicious
but you're a nut,
and I got dishes.
I'm going home.

(spoken)
See ya.

Jerry

I'm gonna jump straight up,
kick a hole in the moon.
Don't know exactly where I'm going
but I know I'm gonna get there soon.
I'll show you.
I'll show them all.
I'll show them all the real thing.

What is a man?
Why does he bother?
'Cause he's a man.
'Cause he's a father.
He wants his kid.
He wants his life.
He wants to – da da da na na da na na
He wants to be a man.
A real man.
Yes, I am.
I'm gonna be,
I've gotta be
a real man with a mission like you see on television.
I'm a real fine gen-u-ine
man.
