Better Place  
*(A Medley including;  
Heal The World and We Are The World)*

Reference number PT0386

There's a place in your heart and I know that it is love.  
And this place could be much brighter than tomorrow.  
And if you really try, you'll find there's no need to cry.  
In this place you'll feel there's no hurt or sorrow.

There are ways to get there if you care enough for the living.  
Make a little space, make a better place.

Heal the world make it a better place  
for you and for me and the entire human race.  
There are people dying, if you care enough for the living,  
*(second part)*  
Make a better place for you and for me.

*(first part)*  
We can't go on pretending day by day  
that someone, somewhere will soon make a change.  
*(both parts)*

We are all a part of one great big family  
*(first part)*  
and the truth, you know love is all we need.

*(second part)*  
We are the world,  
*(both parts)*  
We are the children,  
we are the ones who make a brighter day so let's start giving.  
There's a choice we're making, we're saving our own lives,  
it's true we'll make a better day, just you and me.
