Everybody's Girl

Reference number PT0400

SHELBY

A long time ago, a lady whose name was Carmen
drove a man wild until he was out of control.
I truly believe that I am a modern day Carmen.
In spite of the fact I do not "habla espagnol,"
that girl was exactly like me.
We share this philosophy.
Ole, I say.

I'm not the type who's ready for datin' someone steady,
I'm ev'rybody's girl.
On Sunday night, it's Danny, on Monday, maybe Manny.
I'm ev'rybody's girl.
There's a point to my behaviour which is:
smart girls always share their riches.
So if your heart succumbs don't let it,
you're certain to regret it.
All others come and get it!
I'm ev'rybody's girl.

(spoken)

I could never be a cowhand's girl.

(sung)

La la la la la.

(spoken)

And do you want to know why?

ENSEMBLE (spoken)

Why?

SHELBY (spoken)

'Cause I just can't keep my calves together.

(sung)

I'm ev'rybody's girl.

Some old Greek called Aristotle said it:
If you got it, why not spread it?
So don't go rattling any sabers,
exerting any labors,
just share me with the neighbours!
I'm ev'rybody's girl.

Incase your passion rages,
(spoken)
I'm in the yellow pages
(sung)
I'm
(silent)
ev'rybody's
(sung)
girl.

You won't be disappointed,
I'm also double jointed!
I'm ev'rybody's girl.

Though it leave a lot of fellas cursin',
I'm a person needs disbursin'.
And so to reaffirm my status, it's absolutely gratis to use my
apparatus.
I'm ev'rybody's girl.

(spoken)
Men and me are like pianos:
When they get upright, I feel grand.

(sung)
Ev'rybody's girl.
