The Next Time You See Me  
(Madrigal Audition)

Reference number PT0464

ANNA

For the first time that you see me,  
you will recognize these eyes.  
The mother I was born to be  
I've been rehearsing all my life  
and it's a lifetime worth of waiting  
for the moment I will feel  
you run into my arms where you belong  
Oh Darling fin'ly I'll be free  
I will be free.

Will I be free?
