Standing In The Way

Reference number PT0478

You're not ready for the world outside.
You keep pretending, but you just can't hide
I know I said that I'd be standing by your side
But I...

Your path's unbeaten, and it's all uphill
and you can meet it but you never will.
And I'm the reason that you're standing still.
But I...

I wish I could say the right words to lead you through this land.
Wish I could play the father and take you by the hand.
Wish I could stay here but now I understand...
I am standing in the way.

The cries around you you don't hear at all.
'Cos you know I'm here to take that call.
So you just lie there when you should be standing tall.
But I...

I wish I could lay your arms down and let you rest at last.
Wish I could slay your demons but now that time has passed.
Wish I could stay here, your stalwart, standing fast.
But I'm standing in the way.
I'm just standing in the way
