Isn't This Better?

Reference number PT0498

I loved a man,
Truly I did.
When he would touch me I act like a love-hungry kid.
Isn't this better?

Somebody nice,
Somebody new,
Someone who lets me react as I normally do.
Isn't this better?

Passion is fine, but passion burns fast.
Passion's design seems never to last.
Better a match, better a blend.
Who needs a lover?
I need a friend!

Now I am calm,
Safe and serene.
Heartache and hurt are no longer a part of the scene.
Isn't this better; the way it should be?
Better for him, and oh, so much better for me.

Isn't this better?
Better?
Passion is fine, but passion burns fast.
Passion's design seems never to last.
Better a match, better a blend.
Who needs a lover?
I need a friend!

Now I am clam,
Safe and serene.
Heartache and hurt are no longer a part of the scene.
Isn't this better; the way it should be?
Better for him,
Much better for him.
And, oh, so much better for me.
