Mr. Hopalong Heartbreak

Reference number PT0502

So long, Farewell, Mister Hopalong Heartbreak,  
Thanks for the kicks, but I guess we're through.  
Oh well, it's been fun hitchin' up with a psycho like you.

Nice work, good job, Miss Perpetual Heartache.  
Hey! Welcome back! Ain't you glad you're here?  
You picked a freak twice as crazy as the freaks  
you had rejected as too crazy last year.

Oh, I picked a doozy.  
He's a piece of work,  
I should-a worked it out before.  
I been sittin' here hopin' that door would re-open,  
but I ain't gonna wait no more.

So long, Farewell, Mister Hopalong Heartbreak,  
Kiss all the girls and you can make them cry.  
Ta Ta, adios, toodleoo, eat shit and goodbye.

Lord, but I worked and I waited.  
If that ain't tryin' I don't know what tryin' is.  
If there ever was a body that fit mine,  
I know in my bones it was his.

Lord, but it feels like I'm burnin'.  
I ain't hurt like this since I don't know when,  
and worse than the pain of losin' that man  
is the fact that I screwed up again!

And so long, farewell, Mister Hopalong Heartbreak,  
some other girls like to sit and cry.  
Not me, no siree, I got loads of other roads to try!
