If I Loved you

Reference number PT0522

*Julie*

When I worked in the mill  
Weavin' at the loom,  
I'd gaze absent minded at the roof.  
And half the time the shuttle 'd tangle in the threads,  
And the warp 'd get mixed with the woof.  
If I loved you.  
But somehow I ken see jest exack'ly how I'd be.

If I loved you,  
Time and again I would try to say  
All I'd want you to know.  
If I loved you,  
Words wouldn't come in an easy way  
Round in circles I'd go!  
Longin' to tell you,  
But afraid and shy,  
I'd let my golden chances pass me by!  
Soon you'd leave me,  
Off you would go in the mist of day,  
Never, never to know  
How I loved you  
If I loved you.
