Welcome To Wonderland

Reference number PT0547

MORGAN

Welcome to Wonderland

APRIL

My god it's half past eight,

NATALIE & KATE L.

Who cares if you came late?

DANNY

We don't care where you've been

ALL

You're gonna fit right in

A little fun detour

A little crazy, sure

Don't get all insecure...

HEATHER

Pardon me, but have you seen

Someone looking like a queen

Sharpening a guillotine?

Prob'ly just as well

MORGAN

She's capricious as can be

JOEY

Lopping heads off by decree

+*MORGAN, DEREK & STEFAN*

This week severed forty-three

JULIAN

Cutting them pell mell

KATE

What a party has it started snowing?

NATHAN

Everyone not coming will be going

FOUR KNIGHTS (Joey, Derek, Julius & Stefan)

Do you know the queen of hearts new orders?

RABBIT

Just the same as always; close the boarders

Could she be the one, you know?

DANNY

Tin man, lion or scarecrow

Wait that's from a different show

ALICE (spoken)

Please start making sense

WILKIE(sung)

Have you seen my walrus dear?

Big mustache that's down to here

LAUREN

Made the oysters disappear

WILKIE

Claiming self-defense!

ALICE:

Wait, I think, you think, I think I'm dreaming

And when I wake up, I'll wake up screaming

RABBIT

We don't think at all, we simply feel dear

ALICE:

Ok, someone tell me what's the
deal here

ALL(under ALICE)

Hey Lady Here's the deal

(not under ALICE)

Welcome to Wonderland

This is your new address

You'll love it more or less

No time to decompress

It's afternoon all day

There's lots of games to play

Flamingo lawn croquet

So please enjoy your stay

MORGAN

Everyday it's something new

NATALIE

Problems up the old wazoo

RABBIT

Rumors of a palace coup

ALICE (spoken)

Get me out of here

ALL

Woo!

ALL (sung)

Answers are in short supply

Who, what, where, when, how or why

Cross my heart and hope to die

Get it into gear!

When your alter-ego's interfering

Self-esteem cannot stop disappearing

Welcome to Wonderland

Start rockin' with the band

You're goin' so damn fast

Your future's in your past

An author always knows

Which way the story goes

So tidy up loose ends

With a little help from your friends

Come on and sing along

Join our little band

Turn up the volume and keep on dancin'

Sit back, enjoy yourself and feel the river flow.

Make sure the journey's worth the things you're chancin'...

We're all a little nuts in case you didn't know

Ooble... Ooblah...

We'd love to stay here but we really gotta go

Ooble... Oohblah...

We'd love to stay here

But we really gotta go.

Ooble... Ooblah...

Life can be fantastic every minute
For as long as you can just stay in it

Welcome to Wonderland
Where everything you see,
I mean from A to Z,
Ain't what it seems to be
Welcome to Wonderland
Set phasers up to stun
Turn off the lights when done
Good luck and thanks a ton
Ciao, baby, gotta run.
