

Peaches

Reference number PT0568

HER VERSE

I watched a girl and a boy,
Their hearts were bub'ling with joy.
They were two love birds, happy and gay,
I overheard him say:

CHORUS

“Peaches, sweet Peaches,
We'll make a wonderful pair;
Peaches, sweet Peaches,
Tell me again you care.
We'll live in clover,
After the wedding's over;
I know that life will be peaches for Peaches and me”.

HIS VERSE

I watched the girl for a while,
I heard her say with a smile;
“No matter what the future may bring,
Just promise me you'll sing:”

CHORUS

“Peaches, sweet Peaches,
We'll make a wonderful pair;
Peaches, sweet Peaches,
Tell me again you care.
We'll live in clover,
After the wedding's over;
I know that life will be peaches for Peaches and me”.
