Reference number PT0574

Terry

Say goodbye to the freak show.
Say hello to the footlight's glow.
Your success can only grow.
Say goodbye to the freak show.
Goodbye.

Daisy

Goodbye.
We will miss you.

Geek

Don't cry.
Let me kiss you

Violet

Oh my, why should it be so hard
To say goodbye?

Harem Girl

Farewell.
Don't forget us.

Bearded Lady

Do tell how you met us.

6th Exhibit

Don't dwell on sorrow as you go.

Dolly Dimples

You will fare well.

Fortune Teller

Now, now saying goodbye is part of growing up.
There's a whole new world of friends for you to make.

Jake

Goodbye, Daisy, dear, sweet Violet

Daisy & Violet

Oh no, not goodbye to Jake.

Jake

Take wing, fly to glory
Dance, sing, tell your story
You bring such joy to those you've known.
Take flight, take wing.

Terry

Jake, looks like their hearts might break
saying goodbye to you.
You're a friend of the twins.
You've helped them along.
Constant support, quiet and strong
We could use you backstage as we tour with their act.
Why not join the troupe, your bag is packed?

Daisy

Yes, say yes,

Violet

Please come along.

Jake

Nothing lost if I decide to.
I feel I belong beside you.

Attractions

Say goodbye to the freak show.
Bless your new impresario.
We always new you would outgrow the tents of the sideshow.
Goodbye.

Strike tents, pull the stakes up.
Go gents, let the brakes up.
No fence stops us from moving on to our next show.
Farewell.
Don't forget us..
Do tell how you met us
Don't dwell on sorrow as you go.
You will fare well.
Goodbye.
