Home is not a place, an address you memorize.
It's more than seven flights or apartment 8A.
It's where you never feel lonely whenever you're alone.
That's how you know you are home.

How I wish that I could feel that, somehow, right now.
How I wish that we could feel that again.

Home is like a smile you see in a photograph.
No matter what you do, its not supposed to change.
Why can't we all be together the way we used to be?
Back on the ground, no more racing around.
Here, safe and sound...
And home.
