

Don't Be The Bunny

Reference number PT0599

Cladwell

A little bunny in the meadow
is nibbling grass without a care.
He's so delightful as he hops for you.
You say, "Hi, bunny," and he stops for you.
You pull your trigger and he drops for you.
Goodbye, bunny-boo; hello, rabbit stew!

(spoken)

Get me, boys?

Staff

You tell 'em, boss!

Cladwell (sung)

Don't be the bunny.
Don't be the stew.
Don't be the dinner. You've got better things to do.
It ain't no joke.
That's why it's funny!
So take your cue; don't be the bunny.
Don't be the bunny!

A little bunny at a toll booth.

He needs a measly fifty cents.

Our little bunny didn't plan ahead.

Poor bunny simply hasn't got the bread!

He begs for mercy, but gets jail instead.

Hasenpfeffer's in the air as the bunny gets the chair!

(spoken)

See the moral, people?

Staff

Clear as day, boss!

Cladwell

Don't be the bunny.

Don't be the dope.

Don't be the loser. You're much better than that, Hope!

You're born to pow'r.

You're in the money!

Advice to you,

don't be the bunny!

A little bunny in a shoe box.

He thinks he's found a brand new home.

So snug and cozy on your closet floor,

and then you open up your closet door.

Now what's that bunny in my closet for?

With a mallet and some clippers,
you find out: new bunny slippers!

(spoken)

Grasp the message, staff?

Staff

Right behind you, boss!

All

Don't be the bunny!

Don't be the shoe!

You don't get stepped on.

Cladwell

No, the one who steps is you!

All

You're stepping up to where it's sunny!

Step on the poor!

Don't be the bunny!

Don't be the bunny!

Wah, wah, wah, wah!
