## How To Not Be With You

Reference number PT0607

I am walking home from the subway stop.  
The lights keep changing, I just stand and watch.  
I should know what's wrong, like I should know which way to go.  
I should hurt less, and I should remember my way home.  
But I don't.

I can't see now that you're not walking next to me.  
I don't know how to not be with you.  
I don't remember where I'm from.  
I know your touch, know ev'rything you do.  
Well, I know everything except how to not be with you.

Hands out and head bowed, I am still waiting for you.  
You keep on changing, I'm not through.  
I should hold my ground, I should have nothing to say.  
Should you reach for me, I should run my heart away.  
But I won't I'm not free.

I'm not a lot of things I used to be, baby.  
I oh I don't know how to not be with you.  
I don't remember where I'm from.  
I know your touch, know ev'rything you do.  
Well, I know everything except how to not be with you.

If I had not followed you, would I know my way out?  
'Cuz I let you lead me home and I can't find it now.

I don't know how to not be with you.  
I don't remember where I'm from.  
I know your touch, know ev'rything you do.  
Well, I know everything except how to not be with you.

Hands out and head bowed, I am still waiting for you.  
Hands out, head bowed, I'll be waiting for you.
