I'm Not Alone

Reference number PT0619

CARRIE

I'll close my eyes and suddenly he'll be there.
Handsome and wise and prob'ly a prince...

(spoken)

God, I'm so scared...

So scared...

(sung)

What could go wrong? I should be prepared for the worst.
But what if I'm strong, my lovely balloon doesn't have to burst.
If I concentrate I might find that the only demons are in my mind.

Was it his voice?

Was it his smile?

I haven't felt so wonderful in quite a while.

All of this time there was just me.

Maybe he's a preview of how good my life can be.

I'm not alone

Somebody's freed me from this lonely tower;
Somebody's by my side as I face the unknown.

I'm not alone.

Speaking his name I've never felt so much power before.

I'm not alone anymore.

Where there was one

Now there are two.

That's the kind of magic only love can do.

Thinking of him thrills me so much

I could move a mountain now with just a single touch.

I'm not alone

Somebody's freed me from this lonely tower;
Somebody's by my side as I face the unknown.

I'm not alone.

Speaking his name I've never felt so much power before.
I'm not alone anymore.

I keep floating two feet off the ground.
Heartaches,
Heartbreaks,
They don't bother me.
As long as there's someone who cares then I'll never be alone.
No more lonely tower!
Somebody's by my side as I face the unknown.
I'm not alone;
Speaking his name I've never felt so much power before.
I'm not alone anymore!
