My Big French Boyfriend

Reference number PT0633

Sarah

Today I met him, can you hear the chimes?
And he comes from the country,
that invented eclairs and mimes.

He's strong and sweet and lives with his mother!
He saved my life so there is no other!
He's such a man and man is he macho!
Spicy cool like a bowl of gazpacho!
Someday he's gonna be my big,
My Big French Boyfriend!

(spoken)

I got to call my best friends in the whole world!
