## People

Reference number PT0659

People, people who need people  
Are the luckiest people in the world.  
We're children needing other children  
And yet, letting our grown-up pride  
Hide all the need inside,  
Acting more like children, than children.

Lovers are very special people,  
They're the luckiest people in the world.  
With one person,  
One very special person,  
A feeling deep in your soul  
Says: you were half now you're whole.  
No more hunger and thirst,  
But first, be a person who needs people.  
People, people who need people  
Are the luckiest people in the world.
