BEGGAR WOMAN

Alms... alms... for a mis'erable woman
On a mis'erable chilly morning.
Thank you, sir, thank you...

'Ow would you like a little muff, dear.
A little jig jig,
A little bounce around the bush?
Wouldn't you like to push me parsley?
You looks to me, dear, like you got plenty there to push!

Alms! alms! for a pitiful woman
Wot's got wonderin' wits...
Hey, don't I know you, Mister?
