## Singing For Joy

Reference number PT0711

When there's a buzz in the air, and there's company to share,  
when our spirits start to rise and there's a sparkle in our eyes,  
then all of us know there's just one way to go.

So together we are

Singing for joy, in our friendship all as one,  
singing for joy, we're here to share our fun.

Feel the pulse, feel the beat, feel the rhythms repeat,  
we love to join in music as together we meet,  
we're simply singing, singing, singing for joy.

And when our step has a spring and we're burning just to sing,  
when the driving rhythm starts to match the beating of our hearts,  
then all of us know there's just one way to go.

So together we are

Singing for joy, in our friendship all as one,  
singing for joy, we're here to share our fun.

Feel the pulse, feel the beat, feel the rhythms repeat,  
we love to join in music as together we meet,  
we're simply singing, singing, singing for joy.

At times the road is long, life can all go wrong.

However hard we try, our plans just go awry.

Sing, sing, let the music ring  
sing, sing, let the light back in  
O sing, then let the light back in,  
O sing.

And when the days are dark  
when our lives need a spark,  
then let the music bring back  
light and let us sing.

Singing, singing,  
for joy we're singing,  
when our spirits start to rise,  
there's a sparkle in our eyes  
then all of us know  
there's just one way to go

When there's a buzz in the air,  
and there's company to share,  
when our spirits start to rise and  
there's a sparkle in our eyes  
then all of us know that there's  
just one way to go.

So together we are

singing. Singing for joy,  
sing, O sing.  
Singing for joy,  
sing  
O sing, feel the beat

Singing for joy, in our friendship  
all as one,  
singing for joy, we're all here to  
share our fun.

Feel the pulse, feel the beat,

feel the rhythms repeat,

we love to join in music as together

we're singing, singing,  
singing, singing,

we meet, we're simply singing,  
singing, singing, singing,

singing, singing for joy.
