I Like Myself

Reference number PT0730

Why am I feeling so good?
Why am I feeling so strong?
Why am I feeling when things could look black,
That nothing could possibly go wrong?

This has been a most unusual day.
Love has made me see things in a different way.

Can it be? I like myself.
She/He likes me, so I like myself.
If someone wonderful as she/he is can think I'm wonderful
I must be quite a guy!/then quite a gal am I.

Feeling so unlike myself;
Always used to dislike myself.
But now my love has got me riding high!
She/He likes me, so so do I!
