When `You're In Love

Reference number PT0732

When you're in love, when you're in love
There is no way on earth to hide it.
When you're in love, really in love,
You simply let your heart decide it.

With ev'ry sigh, with ev'ry glance,
With ev'ry heartbeat you confide it;
You'll want the world to know it too,
When you're in love as I'm in love with you.

(Extra lyrics)

How can you tell what's in its spell?
How can you tell until you've tried it?
Wait for that peace you're certain of
And let your heart decide when you're in love.
