If The Tables Were Turned

Reference number PT0747

BECKY

If the tables were turned, you'd be scolded and spurned,
but you don't let it spoil your day.
I'd be going to class past a whistling lass,
busy scrubbing the passage way.
And you'd give me a smile, forget for a while
that there's Miss Minchin to keep at bay.
If the tables were turned, you'd be as nice as a cold buffet.

If the tables were turned, far as I was concerned,
I'd be kindly as I could be.
I'd be worked off my feet, just a muffin to eat.
Leaves you 'ungry to meet wiv me.
Cuz I calls you by name, don't put you to shame,
sometimes I brings you a cup of tea.
If the tables were turned, I'd have buckets of pedigree.

And I'd 'ave a Dadoo's bonafide, and an officer beside,
and 'e travels wiv me far and wide.
And we'd have a diff'rent life indeed.
But we'd be the same within our hearts.

(+ *BECKY*)

We're counterparts.

(+*SARA*)

And that's how friendship starts, it's guaranteed.

BECKY

If the tables were turned, once me lessons was learned.
I'd be back in a flash to 'ere.

SARA

I'd bring Minchin the post, serve the girls tea and toast,
then we'd meet while the coast is clear.

Though we'd have a diff'rent life, indeed.
(+ LOYYIE & FERMENGARDE)
Still, we'd be the same within our hearts,
we're counterparts, and that's how friendship starts,
it's guaranteed!

SARA (at the same time as BECKY below)
If the tables were turned, I'd be scolded and spurned.
I'd be ordered about all day.
I'd be worked off my feet,
next to nothing to eat,
'til I'm hungry to meet and play.

BECKY(same time as SARA above)
If the tables were turned,
far as I was concerned,
I'd be nice as a cold buffet,
I'd be going to class,
wond'ring who was the lass busy scrubbing the passageway?

TOGETHER

As I think we agree:
You're perfect for me,
and vice versa,
I have to say.
Let the tables be turned...

SARA

we'll find our way...

BECKY

If we could turn the tide,
SARA, LOTTIE & ERMENGARDE (same time as BECKY below)

If the tables were turned!
BECKY(same time as SARA, LOTTIE & ERMENGARDE above)
we'd be the same inside.

ALL TOGETHER

If the tables were turned!
