Women/Men

Church Bells, wedding day;
dating hell, gone away.

Bride/Groom

What I've dreamed all my life;
soon to be man and wife.

Clergywoman/Clergyman

Look at them, filled with pride;
happy groom, blushing bride.

Bride/Groom

Take a breath, flash a smile;
here we go...

Wedding Vows

Down the aisle...

Clergyman

Ladies and gentleman,
we have gathered here under God above.

Clergywoman

to bear witness to this man and this woman,

Both

as they vow their eternal love.

Clergyman

Do you swear? Do you swear to love and honor?

Groom

Yeah, I swear!

Clergyman

Then your bach'lorhood's a goner.
As a husband, now, you'll have alot of chores.

Groom (spoken)

Oh, Jesus!

Clergywoman

Do you swear? Is your love for him whole-hearted?

Bride

Yeah, I swear!

Clergywoman

Then your freedom just departed.
And remember, now his family is yours.

Bride (spoken)

Oh my god!

Groom

Do I swear?

Clergyman

The sex will never be as great!

Bride (sung)

Do I vow?

Clergywoman

I bet he gains a ton of weight!

Bride/ Groom

Who's this stranger standing next to me?

Clergywoman/Clergyman

Do you swear?

Groom

Perhaps I should have been more cautious.

Clergywoman/Clergyman

Do you vow?

Bride

Here comes the bride and she is nauseous!

All

Is this really what you want your life to be?

Clergywoman/Clergyman

Do they swear?

Do they vow?

The church is locked, there's no where you can run!

All

It's your special day, aint we havin' fun?

Clergywoman/Clergyman

And remember its forever and forever and forever
and forever is a really, long, long time.

Do you swear? Do you vow?

Tell us here. Tell us now.

Bride/Groom

And remember its forever and forever and forever
and forever is a really long, long time.

Clergywoman/Clergyman

Do you?

Bride/Groom

Do we?

Clergywoman/Clergyman

Do you?

Bride/Groom

Do we?

Clergywoman/Clergyman

Do you?!

Bride/Groom

We... do...

We... do...

We do!

Clergywoman/Clergyman

They do.

All

Oh God!
