I Think I May Want To Remember Today

Reference number PT0810

We have met and I think I can safely assume
That I've had a quite adequate look.
So if you will excuse me I'll go to my room
And write all this down in my book.
For oh, I Think I May Want To Remember Today.

I know quite well how out of proportion things get.
So I'll be as succinct as I can.
What has happened this evening is just that I've met
The most totally beautiful man.
And oh, I Think I May Want To Remember Today.

Did you see his shoulders?
Broad as the mast –head on ships.
Like a pair of boulders
Tapering down to his hips.
When we met as children,
He was skin and bone.
Oh, Albert...
My, how you've grown!

As a matter of course, I should like to confess
That I hear a remarkable sound.
To be perfectly honest, I think it's no less
Than my heart that is starting to pound.
And Albert, Albert, Albert, Albert,
I think I may want to remember
Remember this tenth of October.
I know I shall want to remember today!
