

I'll Know

Reference number PT0825

VERSE

I'll know when my love comes along;
I'll know then and there.
I'll know at the sight of his/her face
How I care, how I care, how I care.
And I'll stop, and I'll stare,

And I'll know long before we can speak,
I'll know in my heart.
I will know and I won't ever ask,
"Am I right, am I wise, am I smart?"
But I but I'll stop and I'll stare at that face in the throng
Yes, I'll know when my love comes along.

INTERLUDE

That he'll/she'll stand before my eyes one day,
I won't need a second glance his/her way.
