Oye La Música
(Hear The Music)

Reference number PT0831

I hear the rhythm of life in music.
I hear the rhythm of life in song.
I know the rhythm of life is beating,
because the rhythm of life is strong.

I feel the rhythm of life around me,
because the rhythm is ev'rywhere.
I know the rhythm of life is growing,
because the music is ev'rywhere.

And in the street I hear music, percussion, and sound.
It is the life of the rhythm that turns the best around.
