## Shadows

Reference number PT0842

*LOUIE*

Shadows.

*ALL*

Inky, smoky, slinky, silky...

Echoes.

*LOUIE (spoken)*

Hello?

*ALL*

Shadows.

*LOUIE (spoken)*

Where is everybody?

*(sung)*

I can hear my footsteps brushing thru the shadows...

*ALL*

Shadows are so sneaky.

Sliding up a wall.

Hiding in your closet.

*GIRLS*

Till you're all alone.

*GUYS*

Late at night alone.

*ALL*

Counting all the shadows in the corners underneath the bed.

Shadows stretching toward you creepy, spooky.

*LOUIE*

Shadows.

*ALL*

Inky, smoky, slinky, silky...

*LOUIE*

Shadows.

*ALL*

Musky, murky, dusty, gloomy...

*LOUIE*  
Shadows.

*ALL*  
Inky, smoky, slinky, silky...

*LOUIE*  
Shadows.

*ALL*  
Musky, murky, dusty, gloomy...

*LOUIE (spoken)*  
Hey, that flower just moved.

*MONSTER (spoken)*  
Hee, hee, hee.

*LOUIE*  
Wait a minute. There's something there!  
Oh Man... Amy's! I've got to get to Amy's!  
I'll try the shortcut.

*(sung)*  
Now if I can just get by this one dark alley.

*ALL*  
Racing thru the alley, shadows move so fast.  
Reaching out to grab you.  
In those shiny arms, dark and skinny arms,  
all the nasty shadows want to squeeze you.  
Till your bones are snapped!  
How can you escape them?  
Run here! Run there!  
Down! Behind!  
Up this way! That way!  
Make your mind up!  
Or by shadows you could wind up  
*(shouted)*  
trapped!  
Gotcha!
