If The Rain's Got To Fall

Reference number PT0868

KIPPS

If the rain's got to fall, let it fall on Wednesday,
Tuesday, Monday, any day but Sunday,
Sunday's the day when it's got to be fine,
'Cos that's when I'm meeting my girl.

If the rain's got to fall, let it fall on Maidstone,
Hoxton, Oakstone, anywhere but Folkstone,
Folkstone's the place where it's got to be fine,
'Cos that's where I'm meeting my girl.

What if the weather gets rainy?
There am I like a bloomin' zany,
Tryin' to say I love her,

Then we break and have to take cover.

If the rain's got to fall, let it fall on Thursday,
Saturday, Friday. Any day but my day,
My day's the day when it's got to be fine,
'Cos that's when I'm meeting my girl.

What could be wetter or damper
Than to sit on a picnic hamper,
Sippin' a Sarsparella,
Underneath a leaky umberella?
