Ring Of Keys

Reference number PT0889

SMALL ALISON

Someone just came in the door.
Like no one I ever saw before.

I feel...

I feel...

I don't know where you came from
I wish I did,

I

(spoken)

feel so dumb.

(sung)

I feel...

Your swagger and your bearing
and the just-right clothes you're wearing
Your short hair and your dungarees and your lace up boots.
And your keys, oh, your ring of keys.

I thought it was s'posed to be wrong
But you seem okay with being strong I want...
You're so...

It's probably conceited to say,
but I think we're alike in a certain way I, um...

Your swagger and your bearing
and the just-right clothes you're wearing
Your short hair and your dungarees and your lace up boots.
And your keys, oh, your ring of keys.

Do you feel my heart saying hi?
In this whole luncheonette
why am I the only one who sees you're beautiful?

(spoken)
No, I mean
(sung)
Handsome.

Your swagger and your bearing
and the just-right clothes you're wearing
Your short hair and your dungarees and your lace up boots.
And your keys, oh, your ring of keys.

I know you
I know you
I know you
