## The Path To The Moon

Reference number PT0909

I long to sail the path to the moon  
On a deep blue night, when the wind is cool:  
A glist'ning path, that runs out to sea,  
Silver the sails to carry me, to carry, carry,  
carry me over the sea.

So will I sail, on a starry night  
On the path to the Moon, a seabird's flight;  
Skimming the waves, where the fishes play,  
Travelling on, for many a day;  
Silver the sails to carry me, to carry, carry,  
carry me over the sea.
