## Migratory V

Reference number PT0914

We sail above the weather  
We search the ocean floor.  
We rival our creation,  
still yearning for more.  
But can we fly together a migratory V?  
How wonderful if that's what God could see.

A single voice in whispered prayer  
can only pray to travel there.  
but all as one, we sound the everlasting sound,  
and sing our salvation.

Aloft and in formation, a migratory V.  
How wonderful if that's what God could see.
