My Best Friend

Reference number PT0918

PART I

When we were young your father built you a tree house that
seemed seven stories high.

It came complete with a mailbox where I could drop letters as I
was passing by.

Then after midnight I would sneak out quietly to meet you there
where we would stay up for the rest of the night
pretending I was Fred Astaire!

I never had a friend who treated me better than you.

PART II

When we were young our parents took us to Rio for our summer
break.

Where we got lost in the mountains and followed a river where
they found us by a lake.

Tho' I was scared and we were hungry, you never seemed to falter
So I trusted your lead and let you make the decisions with both our
lives at stake.

I never had a friend who treated me better than you.

PART I

Never better than you.

BOTH

'Cause You were my best friend.

You were the only one I could depend on

You were my best friend.

You were always the one I could trust by my side.

PART II

Do you remember the girl I was dating in college?

I think her name was Jan...

PART I

She started screwing my cousin.

Then moved to the south 'cause he was more of a family man.

PART II

I always wondered why it never seemed to make you angry,

'cause if you wanted me to,

I'd take a trip to the "stix" and tie her up in the back of her van!

PART I

I never had a friend who treated me better than you.

PART II

Never better than you.

BOTH

'Cause You were my best friend.

You were the only one I could depend on

You were my best friend.

You were always the one I could trust

PART II

by my side.

PART I

It's been years since I've talked to you.

You don't seem any different

But still, I can't find the words to tell you how much I've changed.

The reasons why I didn't care that she ran away...

I'm...

PART II

You are my best friend.

You are the only one I can depend upon.

You are my best friend and I don't care.

I don't care.

I don't care.

I don't care.

I don't care.

I don't care.

PART I

You don't care?

PART II

I don't care.

I don't care.

You're still the same.

PART I

You're still the same.

BOTH

We're still the same.
