Move On

Reference number PT0936

GEORGE

I've nothing to say.

Well, nothing that's not been said.

DOT

Said by you, though, George

GEORGE

I do not know where to go

DOT

And nor do I.

GEORGE

I want to make things that count,

Things that will be new...

DOT

I did what I had to do:

GEORGE

What am I to do?

DOT

Move on.

Stop worrying where you're going,

Move on.

If you can know where you're going,

You've gone.

Just keep moving on.

I chose, and my world was shaken,

So what?

The choice may have been mistaken

The choosing was not.

You have to move on.

Look at what you want,
Not at where you are,
Not at what you'll be.
Look at all the things you've done for me:
Opened up my eyes,
Taught me how to see,
Notice ev'ry tree...
GEORGE
Notice ev'ry tree
DOT
Understand the light
GEORGE
Understand the light...
DOT
Concentrate on now,
GEORGE
I want to move on,
I want to explore the light.
I want to know how to get through,
through to something new,
Something of my own.

BOTH
Move on.
Move on.
DOT
Stop worrying if your vision is new.
Let others make that decision
They usually do!
You keep moving on.

Look at what you've done,
Then at what you want,
Not at what you are,
What you'll be.
GEORGE (*at the same time*)
Something in the light,
Something in the sky,
In the grass,
Up behind the trees...

DOT

Look at all the things you gave to me.

Let me give to you
Something in return.

I would be so pleased

GEORGE (*at the same time*)

Things I hadn't looked at till now:

Flower on your hat

And your smile

And the color of your hair

GEORGE (*alone*)

And the way you catch the light,

And the care,

And the feeling

And the life,

Moving on!

DOT

We've always belonged

Together!

BOTH

We will always belong

Together!

DOT

Just keep moving on.

Anything you do,
Let it come from you,
Then it will be new.
Give us more to see...
